

SCHOOL FEES

School Year 2023/24

The Rietberg Montessori School Zurich is a private kindergarten and elementary school in the legal form of a foundation. The school is a non-profit organization and receives no state subsidies.

Application fees

The registration fee of **CHF 1,000** is due as soon as the trial days or the introduction days are confirmed. The contribution payment of **CHF 1,500** to the welfare foundation of the Rietberg Montessori School will be invoiced after the school contract is signed.

The welfare foundation supports parents who face financial difficulties while their child is at our school. Should your child not claim his/her place at the Rietberg Montessori School, the contribution payment can be refunded. The registration fee will not be refunded. If you decide to accept the place at our school, you will receive a donation receipt stating the amount of the contribution payment at the end of the first school year.

School fees

The school fees are effective for one school year (1st August to 31st July). The school fees for the following year are subject to change. The school fees for all age groups include childcare, breakfast, lunch, afternoon snack and school materials.

If your child starts at Rietberg Montessori School during the school year, the school fees are calculated to full months pro rata temporis.

Holidays, absences or any other kind of nonattendance do not justify a reduction or refund of the school fees.

Should the school be temporarily closed by official order as a result of force majeure (e.g. pandemic, threat of terrorism), a refund of even part of the school fees are non-returnable.
